

## FRINGE EVENT

### REDUCING HARM WITHOUT FALLING INTO A 'SOFT ON CRIME' DEBATE

A POLICY FORUM ON ALCOHOL,  
TOBACCO & OTHER DRUGS

At Victorian Labor's State Conference, Labor for Drug Law Reform will be presenting a platform that expands on Daniel Andrew's bold leadership in service delivery and pushes harm reduction policy to address community use of alcohol, tobacco and other drugs (ATOD).

#### Proposed initiatives include:

- ➔ Commitment to continue the MSIR after the trial period
- ➔ A trial of fixed site and mobile pill-testing services
- ➔ Repealing the criminalisation of public drunkenness and reform of police procedures
- ➔ The creation of an Advisory and Ministerial Council on ATOD in Parliament

During the weekend of conference, we invite all Labor Members to a policy forum. The one-hour event will be led by harm reduction heavyweight Alex Wodak and will feature presentations from other key figures in the health industry and community.
